

Sanitation Collection Policy

- 1) All garbage must be bagged and placed INSIDE the 95-gallon City provided cart. Carts must be placed at the curb by 7:00 AM on your designated pickup day or after 5:00 PM the day before. Garbage not inside the cart will not be picked up.
 - Recyclables are collected the same day as garbage.
 - To obtain a recycling bin, call Latham Home Sanitation at 770.554.0455.
- 2) All carts must be brought to the end of driveway, at the curb or edge of street for collection, unless previously approved by the Sanitation Department.
 - Handicapped residents or residents over the age of 65 may be granted a collection exception. Exception applications can be obtained from Customer Service.
- 3) For those customers granted a collection exception, carts must be located on the driveway side of the house, not to exceed 150 feet from the street and 10 feet from the back of the house. Carts may not be placed in a fenced enclosure, carport or garage.
- 4) No commercial or construction material is allowed on the street. The owner or contractor is responsible for the disposal of construction/demolition materials.

 - All grass clippings **must be bagged** and placed on the curb **on trash day** (a designated day per address, Monday – Thursday).
